Balkan Solar Summit je vodeća regionalna konferencija o obnovljivim izvorima energije, koju organizujemo već četvrtu godinu zaredom, posvećena razvoju održivog energetskeg sistema i jačanju regionalne saradnje. Kao vodeća regionalna konferencija o obnovljivim izvorima energije, Balkan Solar Summit 2026 nastavlja da povezuje domaće i međunarodne eksperte, industrijske lidere i donosiocce odluka, u skladu sa evropskim standardima i aktuelnim tržišnim izazovima.

Ugostićemo više od 500 stručnjaka, industrijskih lidera, investitora i ključnih aktera, sa ciljem kreiranja konkretnih rješenja usklađenih sa regionalnim i evropskim standardima, čineći Balkan Solar Summit centralnim mjestom dijaloga o energetskej tranziciji u regionu.

Balkan Solar Summit is the leading regional conference on renewable energy, organized for the fourth consecutive year, dedicated to sustainable energy development and strengthening regional cooperation.

We will host more than 500 experts, industry leaders, investors, and key stakeholders to develop solutions aligned with regional and European standards, positioning the Summit as a central forum for advancing the energy transition in the region.
